OUR APPROACH

KIPP King Collegiate was founded 10 years ago in the name of Dr. Martin Luther King, Jr. and as such, is deeply focused on social justice and developing young leaders who will change our world. To this end, KIPP King students attend school from 8:15 a.m. until 5:00 p.m., Monday through Friday. Students take a rigorous course load of seven academic classes, participate in advisory, and take two enrichment classes for the joy of learning. By graduation, students will have successfully completed the A-G requirements to be qualified to apply for admission to the University of California campuses. KIPP King has a positive school climate where all students, staff, and families are welcome regardless of their religion, sexual orientation, political beliefs, language, abilities, or economic status. KIPP King practices restorative habits to insure that all students and staff have a safe and culturally aware environment in which to learn and teach. Our caring environment, advisories, and rigorous instruction results in high graduation and college admission rates for our student body.

KIPP KING COLLEGIATE

Named after Dr. Martin Luther King, Jr., KIPP King Collegiate High School opened in the fall of 2007 as the first KIPP high school west of the Rockies. We aim to provide a superior, college-preparatory, public high school education for students in our communities. The majority of our students will be the first in their families to go to college. Upon graduating from KIPP King, all students will have the wisdom, habits of mind, and commitment of heart to be change agents in their communities. KIPP King is one of 12 KIPP schools in the Bay Area and 209 KIPP schools nationally educating nearly 87,000 students on their path to and through college.

The mission of KIPP Bay Area Schools is to operate high-achieving public schools in educationally underserved communities, developing in our students the knowledge, skills and character essential to thrive in college, shape their futures, and positively impact the world. There are currently 12 KIPP schools in the Bay Area. In these schools, over 5,200 students are being prepared for success in college and to lead choice-filled lives. These tuition-free, college-preparatory schools are located in the educationally underserved neighborhoods of Oakland, San Francisco, San Lorenzo, San Jose, Redwood City, and East Palo Alto.
